

**AK-SAR-BEN NATIONAL
SHORTHORN SHOW & SALE**

OMAHA, NEBRASKA

DECEMBER 7 & 8, 1965

Uppermost in the planning of this second annual Ak-Sar-Ben National is presentation of the breed's finest. Reputable breeders, whose constant vigilance over sound breeding programs and proper development, provide the impetus so necessary to such an event and is particularly evident in the quality of their consignments.

The justifiable pride in this offering and the deep responsibility of each breeder to constantly improve his herd are strong reasons for confidence in extending a cordial invitation to attend the show and sale. We sincerely believe the selection will be outstanding.

We especially express our appreciation to Knights of Ak-Sar-Ben, particularly James E. (Tom) Brock, General Manager, Arden Aegerter, Director of Activities, and Fred W. Gilmore, Chairman of the Livestock Committee, for their individual efforts, the \$1500 premium money and for their co-sponsorship of the Second Annual Ak-Sar-Ben National Show and Sale.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
